EXPLANATORY NOTE

SUBJECT:

By-law No. 1995-42, as amended, of the Township of Havelock-Belmont-Methuen is a Comprehensive Zoning By-law regulating the use of the land and the character, location and use of buildings, structures and pits and quarries for the whole of the Township of Havelock-Belmont-Methuen.

INTRODUCTION:

The material herein includes a copy of By-law No. 1995-42, as amended, together with the land use zoning schedules, which governs land use throughout the Township of Havelock-Belmont-Methuen, being the area to which the By-law applies.

PURPOSE AND EFFECT:

The purpose and effect of Zoning By-law No. 1995-42, as amended, are:

1. To implement the approved policies contained in the Township of Havelock-Belmont-Methuen approved Official Plan.
2. To establish specific zone classifications and regulations enabling the orderly and progressive development of the Township of Havelock-Belmont-Methuen.

Nothing in this By-law shall prevent the use of any lot, building, or structure for any purpose prohibited by this By-law if such lot, building or structure was lawfully used for such purpose on the date of passing of this By-law, so long as it continues to be used for that purpose.

Note By-law No. 1995-42, as amended was updated to consolidate the former Village of Havelock Comprehensive Zoning By-law into the Townships of Belmont and Methuen Comprehensive By-law, with the passage of By-law No. 2004-28 and 2004-46, on March 16, 2004 and June 8, 2004, respectively.

By-law No. 1995-42, as amended has been further amended by the passage of By-law No. 2006-38 on June 6, 2006, which served to rectify minor textual and mapping discrepancies found within By-law No. 1995-42, as amended.

This By-law is now known as the Township of Havelock Belmont-Methuen Comprehensive Zoning By-law.

**THE CORPORATION OF THE TOWNSHIP OF HAVELOCK-BELMONT-
METHUEN BY-LAW NO. 1995-42, AS AMENDED**

BEING A BY-LAW TO REGULATE THE USE OF LANDS AND THE CHARACTER, LOCATION AND USE OF BUILDINGS AND STRUCTURES IN THE TOWNSHIP OF HAVELOCK-BELMONT-METHUEN.

WHEREAS The Planning Act provides that the Council of a municipal corporation may pass by-laws to regulate the use of lands and the character, location and use of buildings and structures;

AND WHEREAS the Council of the Corporation of the Township of Havelock-Belmont-Methuen deems it desirable to repeal, By-law No. 1977-25 in its entirety, together with all amendments thereto;

AND WHEREAS the Council of the Corporation of the Township of Havelock-Belmont-Methuen further deems it necessary and in the public interest to regulate the use of land in the Township;

NOW THEREFORE the Council of the Corporation of the Township of Havelock-Belmont-Methuen hereby repeals By-law No. 1977-25 in its entirety, together with all amendments thereto, and subsequently enacts the By-law set out herein.

SCHEDULES A1 (BELMONT WARD)

SCHEDULES A2 (METHUEN WARD)

SCHEDULE A3 (HAVELOCK WARD)

SECTION 1 INTERPRETATION AND ADMINISTRATION

1.0 INTERPRETATION AND ADMINISTRATION

1.1 SHORT TITLE

This By-law is known as “The Township of Havelock-Belmont-Methuen Comprehensive Zoning By-law”.

1.2 APPLICATION CONFORMITY

Except as provided by the Planning Act, no building, structure or land shall be used, and no building or structure shall be hereafter erected, structurally altered or enlarged within the limits of the Municipality as now or hereafter legally constituted except in conformity with the provisions of this By-law. Nothing in this By-law shall prevent the use of any lot, building or structure for any purpose prohibited by this By-law if such lot, building or structure was lawfully used for such purpose on the date of passing of this By-law, so long as it continues to be used for that purpose.

1.3 MINIMUM AND MAXIMUM REQUIREMENTS

In their interpretation and application, the provisions of this By-law are held to be the minimum and maximum requirements adopted for the promotion of the public health, safety, convenience or general welfare.

1.4 INTERPRETATION

Unless the contrary intention appears in this By-law, words importing the singular number or the masculine gender include more persons, parties or things of the same kind than one, and female as well as male; and the converse. Words used in the present tense include the future; and the word “shall” is mandatory and not discretionary.

“Illustrations” and “Notes” contained in this document are provided for information and convenience, and do not form part of this By-law.

SECTION 1 INTERPRETATION AND ADMINISTRATION

1.5 IDEM (REFERENCE)

Where the uses of land, buildings or structures permitted in the By-law are defined in general terms, the Committee of Adjustment may permit the use of any land, building or structure for any purpose that, in the opinion of the Committee, conforms to the uses permitted in this By-law.

1.6 ZONING ADMINISTRATOR

This By-law shall be administered by the By-law Enforcement Officer, as appointed by Council.

1.7 BUILDING PERMITS

Notwithstanding the provisions of the Ontario Building Code or any other By-law of the Corporation, no building permit shall be issued where the proposed building, structure or use would be in violation of any of the provisions of this By-law.

1.8 APPLICATION FOR BUILDING PERMITS

In addition to the requirements of the Building By-law, every application for a building permit shall be accompanied by a plan in duplicate, drawn to scale and showing the following:

- 1.8.1. The true shape and dimension of the lot to be used or upon which it is proposed to erect any building or structure;
- 1.8.2. The proposed location, height and dimensions of any building, structure or use proposed for such lot;
- 1.8.3. Proposed locations and dimensions of any yards, setbacks, landscaping, off-street parking spaces or off-street loading facilities required by this By-law;
- 1.8.4. The location of all existing buildings or structures on the lot; and

SECTION 1 INTERPRETATION AND ADMINISTRATION

1.8.5. A statement signed by the owner or his agent duly authorized thereunto in writing, filed with the Chief Building Official, disclosing the current and intended use of each building and structure or part thereof, the sanitary facilities available and all information necessary to determine whether or not such proposed or existing building, structure or use conforms to the requirements of this By-law.

1.9 INSPECTION

(a) Conditions of Entry:

Subject to Clause (b) of this subsection, the By-law Enforcement Officer, Chief Building Official, or any other officer or employee of the Corporation, acting under the direction of Council, is hereby authorized to enter, at all reasonable hours, upon any property or premises for the purposes of carrying out his duties under this By-law.

(b) Restrictions For Entry of Dwelling:

Notwithstanding any provision of clause (a) of this subsection to the contrary, no officer or employee of the Corporation shall enter any room or place being used as a dwelling or part thereof without the consent of the occupant except under the authority of a search warrant issued pursuant to the Summary Convictions Act.

1.10 APPLICATION OF OTHER STATUTES AND BY-LAWS

Nothing in this By-law shall relieve any person from the obligation to comply with the requirements of the Ontario Building Code Act or of any By-law of the Township of Havelock-Belmont-Methuen in force from time to time, or the obligation to obtain any license, permit, authority or approval required under any By-law of the Township of Havelock-Belmont-Methuen.

1.11 VALIDITY

If any section, clause or provision of this By-law including any part of the Zone Schedules attached hereto, is for any reason held to be invalid, the same shall not affect the validity of the By-law as a whole or any part thereof, other than the

SECTION 1 INTERPRETATION AND ADMINISTRATION

section, clause or provision so declared to be invalid and it is hereby declared to be the intention, that all the remaining sections, clauses and provisions shall remain in full force and effect until repealed.

1.12 INTERPRETATION OF ZONING SCHEDULES

For the purpose of this By-law all land within the Township of Havelock-Belmont-Methuen is hereby divided into use zones as set out in Section 3 and on the Zoning Schedules. The Zone boundaries are:

- 1.12.1. The centre line of any road, right-of-way or watercourse; or,
- 1.12.2. The lot line as indicated on a registered plan of subdivision, or a Township survey plan; except that,
- 1.12.3. In the absence of either of the above, the zone boundary is the distance as scaled from the zoning Schedules.

1.13 ROAD ALLOWANCE AND RIGHTS-OF-WAY

A road allowance, utility transmission right-of-way, or watercourse is, unless otherwise indicated, included within the zone of the adjoining property on either side thereof, and where such road allowance, right-of-way or watercourse serves as a boundary between two or more different zones, a line midway in such road allowance, right-of-way or watercourse and extending in the general direction of the long division thereof is considered the boundary between zones, unless specifically indicated otherwise.

1.14 ROAD AND RIGHT-OF-WAY CLOSINGS

In the event a dedicated road or right-of-way shown on the map is closed, the property formerly in said road or right-of-way shall be included within the zone of the adjoining property on either side of the said closed road or right-of-way and the zone boundary shall be the former centre line of said road or right-of-way.

SECTION 1 INTERPRETATION AND ADMINISTRATION

1.15 LITIGATION

This By-law does not affect the rights of any party or any land concerned in any action, litigation or other proceeding pending on the date of the final passage thereof, except to the extent to be determined in the final adjudication of such action, litigation or other proceedings.

1.16 METRIC AND IMPERIAL NOMENCLATURE

Measurements shown in imperial are for convenience/information purposes only; and do not form part of the by-law.

- a) in the case of a flat roof, the highest point of the roof surface, or the parapet, whichever is the greater;
- b) in the case of a mansard roof, the deck roof line; and
- c) in the case of a pitched roof, a point midway between the eaves and the ridge.

In calculating the height of a building, any construction used as ornament or for the mechanical operation of the building such as a mechanical penthouse, or a chimney tower, cupola or steeple is not to be included.

“HIGH WATER MARK” means the mark made by the action of water under natural conditions on the shore or bank of a body of water which action has been so common and usual and so long continued that it has created a difference between the character of the vegetation or soil on one side of the mark and the character of the vegetation or soil on the other side of the mark.

SECTION 2 DEFINITIONS

“HOBBY FARM” means land used for the tillage of soil, the growing of vegetables, fruits, grains and other staple crops and includes woodlots and the raising of a maximum of two horses, or two cows or six sheep but shall not include the raising of hogs. A "hobby farm" may also include a single detached dwelling.

“HOME INDUSTRY” means a gainful occupation including woodworking, arts and crafts, window repair, welding, plumbing, machine or repair shop, or blacksmith or similar uses conducted in whole or in part in an accessory building to a single detached dwelling, or any occupation conducted for gain or profit as an accessory use on a permitted farm such as a retail outlet for farm supplies or a farm produce outlet, a produce grading station, or an agricultural merchandise service shop in accordance with Section 4.14 of this By-law, but shall not include a motor vehicle repair garage.

“HOME OCCUPATION” means any occupation conducted for gain or profit as an accessory use within a dwelling or a dwelling unit by one or more persons residing in such dwelling or dwelling unit in accordance with Section 4.15 of this By-law but shall not include a manufacturing industry.

“HOTEL” means a tourist establishment containing 3 or more guest rooms served by a common entrance, generally from the street level. Accessory uses may include accommodation for permanent staff, a beverage room, dining room, meeting room or similar use.

“HUNT CAMP” means premises building or structure used for the purpose of accommodation for hunters. A hunt camp may consist of one or more rooms which is at least partially furnished and may include facilities for the preparation of food and overnight accommodation on a temporary basis for use during the hunting season only. A hunt camp may not be occupied for more than 90 days in any 12-month period. A hunt camp does not include for profit commercial facilities.

“IMPROVED STREET” - See “STREET”.

“INFRASTRUCTURE” means physical structures which form the foundation for development and includes sewage and water lines and pumping stations, electric power transmission lines and transformers, communication transmission lines and relay towers, transit or transportation corridors and appurtenant facilities, oil and gas pipelines and appurtenant facilities and recycling drop off or collection sites. Infrastructure does not include any related administrative facility, building or structure, nor does it include land, buildings or structures for treatment of water, sewage or wastes, production of electric power, production of communication transmissions, or the production of oil or gas.

SECTION 2 DEFINITIONS

“INSTITUTION” means any land, building or part thereof used for a non-commercial purpose by any organization, group or association for the promotion of charitable, sporting, educational, religious or benevolent objectives but excluding a mental hospital or any place of detention or correction.

“INSTITUTIONAL USE” means facilities serving the community including schools, churches, hospitals, nursing homes and recreation centres.

“ISLAND” means one of the following:

- a) a land area totally surrounded by water; or,
- b) in parking lot design, built-up structures, usually curbed, placed at the end of parking rows as a guide to traffic and also used for landscaping, signing or lighting.

“KENNEL” means an enclosed establishment where animals, birds, or other livestock intended or used as household pets are kept, bred, trained or boarded.

“LANDSCAPED OPEN SPACE” means the open unobstructed space from ground to sky at grade on a lot accessible by walking from the street on which the lot is located and which is suitable for the growth and maintenance of grass, flowers, bushes, trees and other landscaping and includes any surfaced walk, patio or similar area, but does not include any driveway or ramp, whether surfaced or not, any curb, retaining wall, parking area or any open space beneath or within any building or structure.

“LANE” means a public thoroughfare which affords only a secondary means of access to abutting lots and which is not intended for general traffic circulation.

“LAUNDROMAT” means an establishment containing one or more washers, each having a capacity not exceeding 22.5 kilograms (50 pounds), and drying, ironing, finishing and incidental equipment, provided that only water, soaps and detergents are used and provided that no such operation shall emit any noise or vibrations which cause a nuisance or inconvenience within or without the premises. This definition may include a self-service dry cleaning establishment.

“LEACHING BED” means part of a sewage system which serves as an absorption system consisting of distribution pipes and fill and constructed as absorption trenches or filter bed, located wholly in the ground or raised or partly raised above ground, to which effluent from a treatment unit is applied for treatment and disposal.

SECTION 2 DEFINITIONS

“LEGAL SIGN” - See “SIGN, LEGAL”.

“LIVESTOCK FACILITY” means livestock/poultry barns where agricultural animals are housed and the associated manure storage.

“LIVESTOCK HOUSING CAPACITY” means the total number of livestock/poultry capacity for the facility at any one time.

“LIVESTOCK UNIT” means the equivalent value for various types of animals including poultry, based on manure production and production cycles.

“LODGE” means a tourist establishment containing 3 or more guest rooms served by a common entrance, generally from street level while additional guest rooms may have a separate entrance directly from outside the building. Accessory uses may include accommodation for permanent staff, a beverage room, dining room, meeting room or similar use.

“LOADING SPACE” means an area of land which is provided and maintained upon the same lot or lots upon which the principal use is located and which area

- a) is provided for the temporary parking of one commercial motor vehicle while merchandise or materials are being loaded or unloaded from such vehicle and such parking is not for the purpose of offering commodities for sale or display, and
- b) is adequate for the temporary parking of one commercial motor vehicle, and
- c) is not less than 3.5 metres (11.5 feet) in width, nor less than 9 metres (29.5 feet) in length, nor less than 4.5 metres (14.8 feet) in clear and unobstructed height, exclusive of any land used for access, maneuvering, driveway or a similar purpose, and
- d) is not upon or partly upon any street, lane or alley, and
- e) has adequate access to permit ingress and egress of a commercial motor vehicle from a street by means of driveways, aisles, maneuvering areas or similar areas, no part of which access is to be used for the temporary parking or storage of any motor vehicle.

“LOT” means a parcel of land held in distinct and separate ownership from all abutting lands and described in a registered deed(s) or other document(s) legally capable of conveying land or shown as a lot or block on a registered plan of subdivision. A lot must front onto a publicly assumed and year round maintained road and/or a navigable waterway.

SECTION 2 DEFINITIONS

“LOT, CORNER” means a lot situated at the intersection of or abutting upon two or more streets provided that the angle of intersection is not more than 135 degrees.

“LOT, INTERIOR” means any lot which has street access, other than a corner lot.

“LOT, STANDARD WATERFRONT” means a lot which may or may not have street access, but has water access on one shoreline. Where a lot has both street and water access, the minimum lot frontage and front yard requirements shall apply for each access.

“LOT, THROUGH WATERFRONT” means a lot which may or may not have street access, but has water access on more than one shoreline. Where a lot has both street and water access, the minimum lot frontage and front yard requirements shall apply for each access.

“LOT, THROUGH” means any lot, which is not a corner lot, that has frontage on more than one street. The minimum lot frontage and front yard requirements shall apply on each street.

“LOT AREA” means the total horizontal area within the boundary lines of a lot.

“LOT COVERAGE” means the percentage of the lot area covered by the area of all buildings, including accessory buildings.

“LOT DEPTH” means the horizontal distance between the front and rear lot lines. If the front and rear lot lines are not parallel, “lot depth” means the length of a straight line joining the middle of the front lot line with the middle of the rear lot line. If there is no rear lot line, “lot depth” means the length of a straight line joining the middle of the front lot lines with the apex of the triangle formed by the side lot lines.

“LOT FRONTAGE” means, in the case of a lot with parallel side lot lines, the distance between the side lot lines measured along the front lot line. If the side lot lines are not parallel then the lot frontage will be measured along a line between the side lot lines 15 metres (50 feet) from and parallel to the front lot line. Where a lot which is not a corner lot has frontage on more than one street or one street and water frontage, the minimum frontage requirement contained herein shall apply on each street or on the street and water frontage. Where a lot is accessed via water only, the lot frontage shall be the water frontage.

SECTION 2 DEFINITIONS

“LOT LINE” means any boundary of a lot.

“LOT LINE, FRONT” means in the case of an interior lot, the line dividing the lot from the street. In the case of a corner lot, the shorter lot line abutting a street shall be deemed the front lot line and the longer lot line abutting a street shall be deemed an exterior side lot line. In the case of a through lot or a corner lot whose exterior lot lines are the same length,

the lot line where the principle access to the lot is provided shall be deemed to be the front lot line. In the case of a standard waterfront lot, the shoreline shall be deemed to be the front lot line. If the standard waterfront lot has both street and water access, both the lot line abutting the street and the shoreline shall be deemed the front lot line. In the case of a through waterfront lot, the longest shoreline shall be deemed to be the front lot line. If the through waterfront lot has both street and water access, both the lot line abutting the street and the longest shoreline shall be deemed the front lot line.

“LOT LINE, REAR” means in the case of a lot having 4 or more lot lines, the lot line farthest from and opposite to the front lot line. If a lot has less than 4 lot lines, there shall be deemed to be no rear lot line.

“LOT LINE, SIDE” means a lot line other than a front or rear lot line.

“MAN BUILDING” means the building designed or used for the principal use on the lot.

“MARINA” means a commercial establishment or premises containing docking facilities or mooring facilities where boats and/or boat accessories and snowmobiles and snowmobile accessories are berthed, stored, serviced, repaired or kept for sale or rent and, where facilities for the sale of marine fuels and lubricants accessory retail sales and a taxi and/or barging service are provided and where waste water pumping facilities may be provided.

“MARINE FACILITY” means an accessory building or structure which is used to take a boat into or out of a navigable waterbody, to moor a boat, or to store a boat. This definition shall include a launching ramp, boat lift, or boathouse, but shall not include any building used for human habitation or any boat servicing, repair or sales facility.

“MARINE FACILITY, ACCESSORY” means a non-commercial accessory building or structure located on, over, under, or immediately adjacent to a waterbody but does not include a DOCK or BOATHOUSE as defined herein. An accessory marine facility includes a boat lift, a marine railway, or similar structure but shall not include any building used for human habitation or used only for winter boat storage nor any boat service, repair or sales facility. An accessory marine facility

SECTION 2 DEFINITIONS

shall also include a water intake, flood or erosion control structure approved by the Crowe Valley Conservation Authority and/or the Ministry of Natural Resources and Forestry, or similar use.

“MINIMUM DISTANCE SEPARATION” means the shortest distance between new industrial, commercial, institutional, recreational or residential uses and the livestock occupied portion of the livestock facility, the manure storage or the anaerobic digester system. For the siting of new industrial, commercial, institutional, recreational or residential uses where the lot area is less than one (1) hectare the distance is to be measured from the lot line to the nearest point of the

livestock occupied portion of the livestock facility, the manure storage or the anaerobic digester system; and where the lot is larger than one (1) hectare a suitable location must be identified for a building envelope of one (1) hectare outside of the minimum separation distance. For the siting of new or altered livestock facilities, minimum separation distance means the shortest distance between the livestock occupied portion of the new or expanded livestock facility and the dwelling, lot line, road allowance or boundary of the area zoned or designated to permit a specified non-agricultural use.

- (d) Roll roofing;
- (e) Mill ends; and,
- (f) Asphalt shingles.

SECTION 4 GENERAL PROVISIONS

4.5 BUILDINGS TO BE MOVED

No building or structure, regardless of size, may be moved within or into/out of the Municipality unless a permit is first obtained from the Chief Building Official and no building may be moved into any zone where it is not permitted. Notwithstanding the generality of the foregoing, buildings and structures may be moved within lots of record without a permit.

4.6 CONSTRUCTION USES

Temporary Uses Permitted:

A construction camp, tool shed, scaffold, sign or other building or structure incidental to and necessary for construction work on the premises, may be permitted in any zone provided that:

- (a) Such uses, buildings or structures are used only as long as same are necessary for work in progress which has neither been finished nor abandoned; and
- (b) Such uses, buildings or structures are removed when the work in connection with which they are constructed is finished or abandoned.

4.7 DWELLING UNITS BELOW GRADE

- (a) Cellar Location:

No dwelling unit, in its entirety, shall be located in a cellar. If any portion of a dwelling unit is located in a cellar, such portion of the dwelling unit shall be used for no purpose other than a furnace room, laundry room, storage room, recreation room or for a similar use.

SECTION 4 GENERAL PROVISIONS

(b) Basement Location:

A dwelling unit, in its entirety, may be located in a basement, provided that the finished floor level of such basement is not below the level of the septic system servicing the building or structure in which such basement is located, and further, provided that the floor level of such basement is not more than 1.5 metres (5 feet) below the average adjacent finished grade.

(c) Energy Efficient Homes:

Notwithstanding subsections (a) and (b) to the contrary, dwellings which are designed to be located below grade either as an earth-banked or earth-covered house for energy efficiency purposes shall be permitted to locate in the municipality if plans for such dwelling units have been approved and certified by a professional engineer's seal or have been approved by a similar accredited body.

4.8 DWELLING UNITS UNDER CONSTRUCTION

Notwithstanding anything contained in this By-law, no person shall use or occupy any building for residential purposes for not more than (12) months unless the exterior of such building has been completed and finished in all respects in accordance with the plans and specifications filed upon application for a building permit, and the approved sanitary facilities have been installed and rendered usable, safe and fit for human habitation.

4.9 ESTABLISHED LOTS - LESSER REQUIREMENTS

A vacant lot, legally registered and existing on the date the By-law was passed, that has less than the minimum frontage, depth or area required by this By-law may be developed for all uses in the appropriate zone provided that:

- (a) All other provisions of this By-law are satisfied;
- (b) Such lots meet the servicing requirements of the authority having jurisdiction; and,
- (c) Such lots have a minimum frontage and area equal to 67% of the required lot frontage and area.

4.10 EXISTING BUILDINGS, STRUCTURES AND USES

4.10. A Legal Non-Conforming Buildings, Structures and Uses

(a) The provisions of this By-law shall not apply to prevent the use of any lot, building, structure or part thereof, for any purpose prohibited by this By-law, if such use was lawfully existing on the date of the passing of this By-law so long as it continues to be used for that purpose.

(b) Interior Alteration:

The interior of any building, structure or part thereof, lawfully used on the date of passing of this By-law for a use that is not permitted within such land use zone as the building or structure or part thereof is located, may be renovated or structurally altered in order to render the same more convenient or commodious for the same purpose for which, at the date of the passing of this By-law such building, structure or part thereof was used.

(c) Restoration to a Safe Condition:

Nothing in this By-law shall prevent the strengthening or restoration to a safe condition of any building or structure or part thereof, lawfully used on the date of the passing of this By-law provided that the strengthening or restoration does not change the use, or increase the height, size or volume of the building or structure or part thereof.

(d) Reconstruction:

Nothing in this By-law shall apply to prevent the reconstruction of any lawful non-conforming building or structure or part thereof, which is damaged by causes beyond the control of the owner, but the building or structure or part thereof, shall not be situated closer to any lot line than was the lawful non-conforming building or structure.

SECTION 4 GENERAL PROVISIONS

4.10. B Legal Non-Complying Lots, Buildings And Structures

(a) Exterior Extension:

A building, structure or part thereof, which at the date of passing of this By-law, was used for a purpose permissible within the land use zone in which it is located, may be enlarged, extended, reconstructed, or restored provided that:

- (i) the enlargement or alteration to the building or structure does not reduce the existing yards except where such yards are greater in size than the minimum required in this By-law, such yards may be reduced to the minimum yards required by this By-law;
- (ii) the enlargement or alteration does not create another deficiency or increase the degree of an existing deficiency with respect to any requirements of this By-law; and
- (iii) all other applicable provisions of this By-law are complied with as they relate to the enlargement, reconstruction, repair and/or renovation.

(b) Built Up Area:

Notwithstanding the yard and setback provisions of this By-law to the contrary, where a permitted single detached dwelling is to be erected on a lot in a built up area where there is an established building line extending on both sides of the lot, such single detached dwelling may be erected closer to the street line or the centreline of the street, than required by this By-law, provided such single detached dwelling is not erected closer to the street line or the centerline of the street than the established building line on the date of the passing of this By-law

(c) Permitted Extension:

Nothing in this By-law shall prevent a dwelling unit that existed at the time of the passing of this By-law and which has a gross floor area or dwelling unit area less than required by this By-law, from being altered, provided such alteration does not contravene any other provisions of this By-law.

SECTION 4 GENERAL PROVISIONS

(d) Minimum Lot Size:

Except as may be specifically permitted, no part of any existing lot shall be reduced in area or frontage by the conveyance or alienation of any portion of the lot so as to create a situation of non-conformity or increase the degree of non-conformity with this By-law.

4.11 FRONTAGE ON A PUBLIC STREET

No person shall erect any building or structure in any zone unless the lot upon which such building or structure is located, fronts upon an improved public street; or a navigable waterway provided the lot is located in the 'Seasonal Residential (SR) Zone. However, a building permit may be issued and a building or structure erected as a hunt camp on an existing lot with a minimum lot area of 20 hectares (50 acres) and a 20 metres (66 feet) wide legal access that runs with the land to an improved public street or navigable waterway. In these circumstances, the minimum lot frontage requirement will be waived.

4.12 HEIGHT EXEMPTIONS

Notwithstanding the height provisions contained herein, nothing in this By-law shall apply to prevent the erection, alteration or use of the following accessory buildings or structures provided the main use is a permitted use within the zone in which it is located:

a barn;
a belfry;
a bridge;
a bulk storage tank;
a chimney;

a church spire;
a clock tower;
a communications tower;
a corn crib;

a silo;
a water tower;
a windmill.

4.13 HOLDING PROVISIONS

Notwithstanding any other provision of this By-law to the contrary, where a zone symbol is followed by a holding symbol denoted “H”, no person shall use such lands except for such purposes existing as of the date of passing of this By-law and, further, no person shall enlarge, extend, reconstruct any existing building or structure except where such building or structure existed as of the date of passing of this By-law and the existing building or structure is a use permitted within the principal zone classification.

4.14 HOME INDUSTRY

A home industry may be conducted in or from a dwelling unit or accessory building provided that it is clearly secondary to the main residential use of the property and provided that:

- (a) No more than one person, other than a person residing in the dwelling unit, shall be employed in the home industry;
- (b) There shall be no outside storage of materials, supplies, tools, equipment or goods which are used for, or result from the home industry;
- (c) There shall be no external advertising other than a sign that shall not exceed 1 square metres (11 square feet) in size and which shall not be erected in a required front, side or rear yard;
- (d) The maximum floor area shall be 74.3 square metres (800 square feet);

SECTION 4 GENERAL PROVISIONS

- (e) Any vehicles associated with such home industry shall be parked in an area other than a street or a required front, side or rear yard; and
- (f) No equipment or process shall be used which creates noise, vibration, glare, fumes, odours or electrical interference in excess of that normally experienced in a residential neighbourhood.

4.15 HOME OCCUPATIONS

No person shall carry on or engage in a home occupation except in accordance with the following regulations:

- (a) No person, other than a resident of the dwelling unit shall be engaged in such occupation;
- (b) No sign or display other than a non-illuminated sign not exceeding 0.5 square metres (5.4 square feet) in area shall indicate that a home occupation is being carried on in the dwelling unit;
- (c) No goods, wares or merchandise, other than arts and crafts, shall be directly offered or exposed for sale or rent in the dwelling unit or on the lot;
- (d) Such home occupation shall be secondary to the main residential use and shall not change the residential use and shall not change the residential character of the dwelling unit nor create or become a public nuisance, in particular, in regard to noise, odor, traffic or parking;
- (e) Such home occupation shall not interfere with television or radio reception of others in adjacent buildings or structures;
- (f) The home occupation may be operated or located in any part of a dwelling or dwelling unit provided that the home occupation located on the lot shall not occupy more than a floor area equivalent to 25% of the building area of a lot, or 25% of the floor area of the dwelling unit, or 37 square metres (400 square feet) of floor area, whichever is the least;
- (g) There shall be no mechanical or other equipment used except that which is customarily employed in a dwelling

SECTION 4 GENERAL PROVISIONS

unit or for domestic or household purposes; and

- (h) There shall be no open storage of materials, supplies, tools, equipment or goods which are used for, or result from the home occupation.

4.16 ILLUMINATION

Lighting fixtures designed for exterior illumination, which are not public uses, shall be installed with the light directed and deflected away from adjacent lots and streets. Such lighting fixtures shall not be more than 9 metres (30 feet) above finished grade and no closer than 4.5 metres (15 feet) to any street line.

4.17 KENNELS

Kennels shall not be permitted:

- (a) In the Residential (R), Estate Residential (ER), Seasonal Residential (SR), Island Residential (IR) and Mobile Home Park (MHP), Commercial Tourist (C2) and Commercial Trailer Park (C3) Zones;
- (b) On a lot less than 6 hectares (15 acres) in area;
- (c) Within 61 metres (200 feet) of any street line; and
- (d) Within 61 metres (200 feet) of any adjacent lot line.

4.18 LIVESTOCK

The keeping of livestock, horses, poultry or any other animals, items or uses customarily and normally related to the field of agriculture shall only be permitted in the Agricultural (A) and Rural (RU) Zones and in accordance with all applicable regulations of this By-law.

SECTION 4 GENERAL PROVISIONS

4.19 LOADING SPACE REGULATIONS

The owner or occupant of any lot, building or structure erected or used for any purpose involving the receiving, shipping, loading or unloading of persons, animals, goods, wares, merchandise or raw materials, shall provide and maintain at the premises, loading and unloading spaces 9 metres long (30 feet), 3.6 metres (12 feet) wide and having a vertical clearance of at least 4.3 metres (14 feet), and in accordance with the following:

TOTAL FLOOR AREA OF BUILDING OR STRUCTURE	NUMBER OF LOADING SPACES REQUIRED
280 square metres (3000 square feet) or less	1
Exceeding 280 square metres (3000 square feet) but not 2322 square metres (25000 square feet)	2
Exceeding 2322 square metres (25000 square feet) but not 7440 square metres (80000 square feet)	3
Exceeding 7440 square metres (80000 square feet)	3 plus 1 additional space for each additional 9000 square metres (100,000 square feet) or fractional part thereof in excess of 7440 square metres (80000 square feet)

Provided, however, that in addition to the above number of loading spaces, one waiting space shall be provided for the parking of vehicles awaiting access to each loading space.

(a) Access:

Access to loading or unloading spaces shall be by means of a driveway at least 6 metres (20 feet) wide, contained within the lot on which the spaces are located and leading to a public street or lane located within or adjoining the zone in which the use is located.

SECTION 4 GENERAL PROVISIONS

(b) Location:

The required loading spaces shall be provided on the lot occupied by the building or structure for which the said loading spaces are required and shall not form a part of any street or lane.

(c) Yards Where Provided:

The required loading spaces shall be located only in a side yard or rear yard provided such loading spaces are located no closer than 18 metres (59 feet) to any street line.

(d) Surface:

Each loading space and driveway connecting a loading space with a street shall be maintained with a stable surface which is treated so as to prevent the raising of dust or loose particles. Before being used, such loading spaces and driveways shall be constructed of crushed stone, slag, gravel, crushed brick or tile, cinders, asphalt, concrete or Portland cement binder and with provisions for drainage.

(e) Addition to Existing Use:

When a building or structure has insufficient loading spaces on the date of the passing of this By-law to comply with the requirements herein, this By-law shall not be interpreted to require that the deficiency be made up prior to the construction of any addition. However, no addition may be built and no change of use may occur, the effect of which would be to increase that deficiency.

4.20 LOTS CONTAINING MORE THAN ONE USE

Where a lot contains or is proposed to contain, more than one use, each use shall conform to the provisions of this By-law for the zone where such use is located provided that no dwelling, as may be permitted, shall be erected closer than 6 metres (20 feet) to any other building or structure on the lot except for an accessory building or structure as may be permitted in accordance with the regulations contained in Section 4.1 of this By-law. Each such use shall be considered to be located on a separate lot for the purpose of determining zone provisions.

SECTION 4 GENERAL PROVISIONS

4.21 LOTS DIVIDED INTO MORE THAN ONE ZONE

Where a lot is divided into more than one zone, each such portion of the lot shall be used in accordance with the provisions of this By-law for the zone where such portion of the lot is located. Each such portion of the lot shall be considered as a separate lot for the purpose of determining zone provisions.

4.22 MARINE FACILITIES

Notwithstanding any other provisions of this By-law to the contrary, where ownership of a lot extends to the high water mark, a marine facility or pump house may be erected and used in the yard abutting the high water mark, provided such accessory buildings or structures are located no closer than 3.0 metres (10 feet) to the side lot line.

4.22.1 MARINE FACILITIES ON-WATER

- (a) On-water boathouses are prohibited in all zones.
- (b) All lands with water frontage are permitted to construct a dock, pursuant to the following guidelines:
 - (i) the maximum aggregate area of all docks below the high water mark shall be 46.45 square metres (500 square feet), including all structural supports and projections, unless stated otherwise in this by-law;
 - (ii) docks and dock platforms must be set back a minimum of 4.5 metres from side lot lines and from the straight line projection of a side lot line into the abutting waterbody;
- (c) No accessory marine facility shall be located within 4.5 metres of a side lot line or from the straight line projection of a side lot line into the abutting waterbody.

SECTION 4 GENERAL PROVISIONS

4.23 CANNABIS PRODUCTION FACILITY

The following provisions shall apply to the location and operation of a Cannabis Facility as defined in this By-law:

- a) A Cannabis Production Facility shall only be permitted where full municipal services are available, and where there is sufficient municipal sewer and water capacity to support the facility;
- b) Where a Cannabis Production Facility is located on a lot, no other use shall be permitted on the same lot
- c) All relevant Federal Regulations shall apply; and,
- d) The lands are zoned 'Restrictive Industrial (M1)'.

4.24 MINIMUM DISTANCE SEPARATION

- a) Notwithstanding any other yard or setback provisions of this By-law to the contrary, no non-farm residential, commercial, industrial, institutional or recreational use, located on a separate lot and permitted by an R1, R2, R3, ER, SR, IR, C1, C2, C3, M1, M2, I, RU or A Zone, shall be erected or altered unless it complies with the minimum distance separation.
- b) Notwithstanding any other yard or setback provisions of this By-law to the contrary, no livestock facility shall be erected or altered unless it complies with the minimum distance separation.
- c) The provisions of sub-section 4.24(a) shall apply to those lots existing at the date of the passing of this By-law, which are less than one (1) hectare in size; and the minimum distance separation shall be measured from the lot line to the nearest portion of the livestock facility, the manure storage or the anaerobic digester system.
- d) Notwithstanding the provisions of this section to the contrary, Minimum Distance Separation compliance will not be required for additional dwelling units."

SECTION 4 GENERAL PROVISIONS

4.25 MOBILE HOMES

The following provisions shall apply to the establishment of mobile homes as defined in this By-law:

- (a) Single wide mobile homes and double wide mobile homes shall be permitted only within a Mobile Home Park (RMH) Zone;
- (b) Each mobile home shall be provided with a concrete apron or basement upon which the mobile home will be located;
- (c) Skirtings shall be provided to screen the undercarriages of all mobile homes; and,
- (d) All accessory structures such as patios, porches, additions, skirting and storage facilities shall be factory prefabricated units, or of an equivalent quality so that design and construction will compliment the mobile home.

4.26 NOXIOUS TRADE

No use shall be permitted in any zone from which its nature or the materials therein, is declared to be a noxious trade, business or manufacture under the Public Health Act, as amended, or regulations thereof.

4.27 PARKING AREA REGULATIONS

Parking spaces and areas are required under this By-law in accordance with the following provisions:

- (a) Requirements:

The owner of every building or structure erected or used for any of the purposes hereinafter set forth shall

SECTION 4 GENERAL PROVISIONS

provide and maintain for the sole use of the owner, occupant, or other persons entering upon or making use of the said premises from time to time, one or more parking spaces, in accordance with the following requirements.

SECTION 4 GENERAL PROVISIONS

(b) More Than One Use on a Lot:

When a building, structure or lot accommodates more than one type of use, the parking space requirement for such building, structure or lot shall be the sum of the requirements for the separate uses thereof.

(c) Location:

The required parking areas shall not form part of any street or lane and shall be provided on the lot occupied by the building, structure or use for which the said parking area is required, except in the case of a non-residential use, the required parking area may be provided on another lot if such parking area is not more than 91 metres (300 feet) from the lot requiring the parking area.

(d) Yards Where Permitted:

Notwithstanding the yard and setback provisions of this By-law to the contrary, uncovered surface parking areas shall be permitted in the required yards, or in an area between the street line and the required setback as follows, provided that such parking areas shall be subject to the provisions of Section 4.38 hereof regarding sight triangles:

ZONE	YARD IN WHICH REQUIRED PARKING AREA PERMITTED
(i) Rural, Agricultural	All yards, provided that no part of any parking area, other than a driveway, is located closer than 3 metres (10 feet) to any street line.
(ii) Residential	All yards provided that no part of any parking area, other than a driveway, is located closer than the minimum required front yard depth to any street line.
(iii) Commercial, Institutional and Environmental Protection	All yards provided that no part of any parking area, other than a driveway, is located closer than 0.9 metres (3 feet) to any street line.

SECTION 4 GENERAL PROVISIONS

ZONE	YARD IN WHICH REQUIRED PARKING AREA PERMITTED
-------------	--

(iv) Industrial and Open Space to any street line.	Interior side and rear yards only, except for visitor parking, provided that no part of any parking area, other than a driveway is located closer than 7.5 metres (25 feet) to any street line.
---	---

(e) Access:

- (i) Access to the required parking spaces and parking areas shall be provided by means of unobstructed driveways or passageways at least 3 metres (10 feet), but not more than 9 metres (30 feet) in width.
- (ii) The aisles between parking space blocks within a parking area shall have a minimum width of 6 metres (20 feet).
- (iii) The maximum width of any combined ingress and egress driveway or any abutting driveways along a common lot line, measured along the street, shall be 9 metres (30 feet).
- (iv) The minimum distance between a driveway and an intersection of street lines, measured along the street line intersected by such driveway, shall be 7.5 metres (25 feet) for all residential uses in Residential Zones and shall be 15 metres (50 feet) for all other uses in any zone.
- (v) The minimum angle of intersection between a driveway and a street line shall be 60 degrees.
- (vi) No driveway shall be established closer than 1 metre (3 feet) to a side lot line, but this shall not apply to prevent the establishment of abutting driveways along a common lot line if their combined width does not exceed 9 metres (30 feet).

(f) Surface:

Each parking area and driveway connecting the parking lot with a street shall be maintained with a stable surface which is treated so as to prevent the raising of dust or loose particles. This provision shall not apply in the Agricultural (A) and Rural (RU) Zones.

SECTION 4 GENERAL PROVISIONS

(g) Addition to Existing Use:

When a building or structure has insufficient parking spaces on the date of the passing of this By-law to comply with the requirements herein, this By-law shall not be interpreted to require that the deficiency be made up prior to the construction of any addition. However, no addition may be built and no change of use may occur, the effect of which would be to increase that deficiency.

(h) Use of Parking Areas and Parking Spaces:

Where a parking area or parking space is permitted or required by this By-law, no person shall use such parking area or parking space for parking any motor vehicle unless such vehicle is used in operations incidental to the permitted uses in respect to which such parking area or parking space is provided and bears a motor vehicle license plate or sticker which is valid for part or all of the current calendar year.

(i) Restrictions in Residential Zones:

No person shall use any parking area or parking space in the Estate Residential (ER), Seasonal Residential (SR), and Residential Mobile Home Park (RMH) Zones except in accordance with the following:

- (i) Not more than one (1) vehicle per dwelling unit shall be a commercial motor vehicle with a rated capacity of 1016 kilograms (2240 pounds) or greater;
- (ii) Notwithstanding (i) above to the contrary, a commercial motor vehicle that exceeds the size of a tandem truck shall not be permitted; and
- (iii) For the purpose of (i) and (ii) above, commercial motor vehicles shall be as defined in the Highway Traffic Act.

4.28 PITS AND QUARRIES

- (a) The making and establishment of pits and quarries is prohibited except in the locations and in accordance with the provisions of this By-law, and, no person shall use any land or erect any building or structure for the purpose of processing, washing, sorting, screening or crushing rock, sand or gravel except as provided for in this By-law.

SECTION 4 GENERAL PROVISIONS

- (b) Notwithstanding any other provision of this By-law, a wayside pit or wayside quarry shall be considered a permitted use in all Zones except in a Residential Zone, an Institutional Zone, or an Environmental Protection Zone.

4.29 PLANTING STRIPS

Where the main use of a lot is for a Non-Residential purpose, other than an agricultural use or home occupation, and the side or rear lot line, or portion thereof, abuts a Residential use or undeveloped land in a Residential Zone, or where such lot is in an Industrial Zone and the front, side or rear lot line abuts a portion of a street, the opposite side of which portion of the street abuts a Residential use or undeveloped land in a Residential Zone, then a strip of land, located on the said lot, adjoining such abutting lot line, or portion thereof, shall be used for no other purpose than a planting strip in accordance with the provisions of this subsection.

Where a planting strip is required by this By-law, it shall consist of an unpierced and unbroken hedgerow of suitable evergreen or perennial shrub, and shall conform to the following regulations:

- (a) Minimum width of planting strip shall be 3 metres (10 feet);
- (b) Minimum planned height of hedgerow shall be 1.75 metres (6 feet);
- (c) A planting strip may form part of any minimum front, side or rear yard; and
- (d) A planting strip may be interrupted where a driveway or walkway crosses:
 - (i) a maximum of 3 metres (10 feet) from a driveway; and
 - (ii) a maximum of 1.5 metres (5 feet) from a walkway.

SECTION 4 GENERAL PROVISIONS

4.30 PORTABLE ASPHALT PLANTS

Portable asphalt plants used by a public road authority or their agent shall be permitted in all zones with the exception of all Residential, Institutional and Environmental Protection Zones. The plants must comply with the Ministry of Environment and Energy's separation distances and prior to the establishment of such a plant, a certificate of approval must be obtained from the Ministry of Environment and Energy.

4.31 PRIVATE-HOME DAY CARE USES

Notwithstanding any other provision to the contrary, a private-home day care may be permitted as an accessory use in any zone which permits a permanent single detached dwelling. Such use may be subject to Fire Department and Building Department inspections and approvals as required.

4.32 PROHIBITED HABITATION AND STORAGE OF GOODS, MATERIALS, ANIMALS OR EQUIPMENT

No truck, bus, coach, cargo or freight container, recreational motor home, recreational or any other type of trailer shall be used for either temporary or permanent human habitation, the keeping of animals, storage of goods, materials or equipment, whether or not the same is mounted on wheels.

Except as otherwise permitted in this by-law human habitation, whether temporary or permanent, shall only be permitted in a dwelling unit located within a zone permitting residential uses; erected and used in accordance with this and all other by-laws of the Corporation.

For the purposes of this section, 'Human Habitation' shall be defined as:

'Human Habitation' means the act of occupying, using or establishing any habitable room, space or area by persons on either a temporary, permanent or occasional basis; and is identified by any connection to electrical,

SECTION 4 GENERAL PROVISIONS

water, sanitary or heating services.

4.33 PUBLIC ROAD BUILDING REQUIREMENTS

The setback for all new buildings and structures shall be as follows:

- (a) The minimum setback from the centreline of all Provincial Highways, which are hereby designated as Arterial Roads, shall be as required by the Ministry of Transportation;
- (b) The minimum setback from the centreline of all County Roads, which are hereby designated as Collector Roads, shall be as required by the County of Peterborough Roads Department; and
- (c) The minimum setback from the centreline of all Township and Municipal Roads, which are hereby designated as Local Roads, shall be the distance required in the applicable zone, as measured from the front lot line.

4.34 PUBLIC USES

- (a) Public Utilities:

The provisions of this By-law shall not apply to the use of any land or to the erection of any building or structure for the purpose of providing a public service. However, public buildings shall be prohibited from locating in the Agricultural (A) and Environmental Protection (EP) Zones.

Where such lot, building or structure is located in any zone for a public use, the following provisions shall apply:

- (i) Except as otherwise provided in this By-law, if any public use is located in any Residential Zone, the minimum yard regulations, maximum lot coverage and minimum lot area and frontage regulations shall apply. In addition, any building erected under authority of this section shall be designed and maintained in general harmony with residential buildings of the type permitted in such zone.

SECTION 4 GENERAL PROVISIONS

If such public use is located in any other zone, then the minimum yard regulations and maximum lot coverage regulations shall apply.

No goods, materials or equipment shall be stored in the open, except as permitted in such zone.

(b) Streets and Installations:

Nothing in this By-law shall prevent the use of land for streets or infrastructure or prevent the construction, maintenance or repair of such streets or infrastructure.

(c) Provisions in Residential Zones:

Any above-ground non-recreational public use which is located in a Residential Zone shall be enclosed in a building designed, located and maintained in general harmony with the permitted Residential buildings in such zone.

(d) Setback from Railway Rights-of-Way:

Notwithstanding any provisions of this By-law to the contrary, no residential dwelling shall be located within 15 metres (50 feet) of a railway right-of-way.

(e) Traffic Signs

Nothing in this By-law shall prevent the erection of any properly authorized traffic sign or signal.

4.35 ADDITIONAL DWELLING UNITS

Notwithstanding any other provision of this By-law to the contrary, additional dwelling units may be permitted in the Agricultural (A), Rural (RU), Residential Type 1 (R1), Residential Type 2 (R2), and Estate Residential (ER) Zones, subject to the following provisions:

SECTION 4 GENERAL PROVISIONS

- a) A maximum of two (2) additional dwelling units per lot may be permitted. One (1) additional dwelling unit may be permitted within an existing or new single detached, semi-detached or row dwelling. One (1) additional dwelling unit may also be permitted within a building or structure accessory to a single detached, semidetached or row dwelling.
- b) An additional dwelling unit shall be clearly subordinate to the primary dwelling unit in size and further shall comply with the following:
 - i. Where the additional dwelling unit is located in an Agricultural (A) or Rural (RU) Zone, the additional dwelling unit shall not be greater than 60% of the ground floor area of the principal dwelling unit
 - ii. Where the additional dwelling unit is located in a Residential Type 1 (R1), Residential Type 2 (R2), or Estate Residential (ER) Zone, the additional dwelling unit shall not be greater than 40% of the ground floor area of the principal dwelling unit.
- c) One (1) off-street parking space shall be provided for each additional dwelling unit, in addition to any parking space(s) required for the primary dwelling unit.
- d) An additional dwelling unit shall be constructed for year-round permanent human habitation and in compliance with the Ontario Building Code and Ontario Fire Code.
- e) An additional dwelling unit shall only be permitted where it has been demonstrated that the existing or proposed water and sewage services have sufficient capacity for the additional unit(s).
- f) Where a garden suite is legally existing on a lot, the garden suite may be converted to a permanent additional dwelling unit subject to the provisions of this Section and any applicable Building and Fire Code regulations.
- g) An additional dwelling unit which is located in an accessory building detached from the primary dwelling shall comply with the following:
 - i. Where the additional dwelling unit is the primary use of the accessory building, the residential provisions

SECTION 4 GENERAL PROVISIONS

of the respective zone shall apply.

- ii. Where the additional dwelling unit is an accessory use of the accessory building, the provisions of Section 4.1 shall apply.

h) Notwithstanding the above, an additional dwelling unit shall not be permitted:

- i. On lots accessed by private roads and where emergency services may be limited.
- ii. Within a vacation dwelling or within a building that is accessory to a vacation dwelling.
- iii. Within a dwelling that is accessory to a permitted non-residential use.
- iv. Within an Environmental Protection (EP) Zone or floodplain.
- v. Within 30 metres of any high-water mark.
- vi. Within 300 metres of at-capacity lakes.
- vii. In an accessory building where a garden suite already exists on the same lot.

4.36 SETBACKS FROM DISPOSAL INDUSTRIAL ZONE USES

Notwithstanding any other provisions of the contrary, no residential or commercial use shall be located within:

- (a) 100 metres (328 feet) of a Disposal Industrial Zone waste transfer station;
- (b) 120 metres (400 feet) of a Disposal Industrial Zone salvage yard;
- (c) 150 metres (492 feet) of a Disposal Industrial Zone sewage treatment plant;
- (d) 250 metres (820 feet) of a Disposal Industrial Zone composting facility or material recover facility;
- (e) 400 metres (1,312 feet) of a Disposal Industrial Zone sewage storage lagoon; or
- (f) 500 metres (1,640 feet) of a Disposal Industrial Zone waste disposal site or solid waste landfill site.

SECTION 4 GENERAL PROVISIONS

The provisions of this section regulating setbacks from a sewage treatment plant or lagoon shall not apply to any lot, building or structure which was lawfully used for such purpose or lots of record created by consent of the Peterborough County Land Division Committee existing on the date of passing of this by-law.

4.37 SETBACK FROM HIGH WATER MARK

Subject to the exceptions contained in the Marine Facility and Yard and Setback Encroachment provisions contained in this By-law, where a lot abuts a waterbody, no building or structure shall be located within 30.0 metres (70 feet) of the existing high water mark.

Notwithstanding, the replacement, redevelopment or reconstruction of an existing building, structure or leaching bed shall be permitted in accordance with the provisions of section 4.10 of this By-law.

4.38 SIGHT TRIANGLES

On a corner lot, a triangular area formed by the street lines and a line drawn from a point in one street line to a point in the other street line, each such point being 9 metres (30 feet) from the point of intersection of the two street lines, as measured along the street lines, shall be known as a sight triangle. Notwithstanding any provisions of this By-law to the contrary, within any area defined as a sight triangle, the following uses shall be prohibited:

- (a) A building, structure or use which would obstruct the vision of drivers of motor vehicles;
- (b) A fence, tree, hedge, bush or other vegetation, the top of which exceeds 1 metre (3.3 feet) in height above the elevation of the centrelines of the abutting streets;
- (c) A parking lot; and

SECTION 4 GENERAL PROVISIONS

- (d) A finished grade which exceeds the elevation of the centrelines of the abutting streets by more than 0.6 metres (2 feet).

4.39 SIGNS

The provisions of this By-law shall not apply to prevent the erection, alteration, or use of any legal sign provided such sign complies with the By-laws of the Corporation regulating signs and provided that such sign complies with the provisions for Bed and Breakfast Establishments, Boarding Houses, Home Occupations, Home Industries and Sight Triangles.

4.40 SLEEPING CABINS

A sleeping cabin is permitted within the Seasonal Residential (SR), and Island Residential (IR) Zones subject to the following requirements:

- (a) No part of any sleeping cabin shall be located within a front yard abutting a shoreline. A sleeping cabin shall not be closer to the water than the main or principle dwelling unit.
- (b) A sleeping cabin shall be limited to a detached one storey building.
- (c) The gross floor area of a sleeping cabin shall not exceed 29.7 sq. metres (320 sq. feet). The total ground floor areas of all decks, any part of which is attached to or within 2 metres (7 feet) of the sleeping cabin, shall not exceed 15 sq. metres (161 sq. feet). A porch is included in the calculation of gross floor area of a sleeping cabin.
- (d) Notwithstanding the provisions of Section 4.1, where an accessory building is a sleeping cabin, the sleeping cabin shall comply with the minimum lot line setbacks for the main building.
- (e) Only one sleeping cabin per lot shall be permitted.

SECTION 4 GENERAL PROVISIONS

4.41 STORAGE OF VEHICLES

In any Agricultural or Rural Zone, save and except sub-sections 5.1.2 and 6.1.6, no more than 3 unlicensed or mechanically inoperable vehicles shall be stored or repaired at any time outside a fully enclosed building on the premises.

In any Residential zone and for those uses permitted in sub-sections 5.1.2 and 6.1.6, no more than 1 unlicensed or mechanically inoperable vehicle shall be stored or repaired at any time outside a fully enclosed building on the premises.

4.42 SWIMMING POOLS

Notwithstanding anything contained in this By-law, a swimming pool is permitted as an accessory use to a permitted residential use:

- (a) In the front or side yard of any lot if:
 - (i) no part of such pool is located closer to any lot line or street line than the minimum distance required for the principal building located on such lot, and
