Council Meeting Schedule

Monday, August 12 @ 9:30 a.m.

Tuesday, September 3 @ 9:30 a.m.

Monday, September 16 @ 5:00 p.m.

The full Council agenda package is available on the Township Website the Friday prior to the meeting date.

OPP Non-Emergency Related Issues

For any non-emergency related issues such as vandalism, graffiti or any suspicious activity.

Please call **1-888-310-1122** to file a report.

Filing a report could aid in finding a suspect or helping solve related crimes.

Office Closure

The Township Office will be closed on August 5th, 2019 for the Civic Holiday.

Municipal Ward System

Council is currently conducting a survey with regards to maintaining or dissolving the current ward system in the next Municipal Election. We are seeking input from all residents of H-B-M. Please visit our website to complete the survey.

Clear Bag Policy (WASTE)

Please note that Council are considering going with a Clear Bag Policy in 2020. Ratepayers will be allowed a small privacy bag. It has been proven that clear bags help increase diversion thus reducing the cost of waste. Stay tuned for more information.

Waste Transfer Station Survey – 2019

Council has requested staff to prepare a survey on the Waste Transfer Sites. This survey is open to the ratepayers of the Township of Havelock-Belmont-Methuen. We will be collecting data over the months of July and August and a report will be presented to Council in September on the results of the report. Surveys are available at all Transfer Stations and on the Township website.

For further information, please contact Pat Kemp, CAO at pkemp@hbmtwp.ca

Upcoming Recycling Changes

Please note that as of September 2019 recyclables are no longer accepted in plastic bags. It is important to sort your recycling by Containers and Fibres.

- Empty and rinse all containers
- Flatten all boxes
- Bag Your Bags! - collect all film plastics into one plastic bag, tie, and place into your fibres bin.
- Keep your materials loose (Blue Boxes are Best!)
- Please remember clear plastic bags are not accepted at curbside.

This helps keep recycling clean, and makes sorting easier.
