Adult Day Program

The ADP is designed to offer engagement and relaxation in a secure and home-like setting for older adults who routinely experience physical, social or cognitive challenges. Our participants enjoy a variety of activities such as games, news group, daily exercise, crafts, seasonal projects - all designed for success. Family caregivers benefit from a day of respite to spend as they wish, to rejuvenate their energies, go to work or attend to those on hold items. Funding for this program is provided in part by the Central East LHIN, and a small daily client fee. Client fee is \$19.00 per day which includes activities, refreshments and hot noon meal. A fee subsidy is available where financial need is indicated. Referrals to this program are received directly from LHIN HCC Care Coordinators.

Overnight Stay Program

The ONS operates as an extension of the Woodland ADP from 4:30pm Friday to 4:00pm Sunday. Four ONS guests are cared for in a relaxed, secure setting, with private bedrooms and the benefit of a walk-in shower if so required.

The same great ADP programs are offered during the week end. All participants must be a current client of one of our 8 Adult Day Programs or In Home Respite Program and fit the criteria.

Client fee for this program is \$100.00.

To become a client of the ADP or ONS programs contact our Respite Service Supervisor at 1-800-743-6255 ext 6423 or 705-745-9155 ext 6423.
