11. SKETCH PLAN:

The application must be accompanied by a sketch showing the following:

- the boundaries and dimensions of the subject land;
- the location, size and type of all existing and proposed buildings and structures on the subject land; indicating the distance of the buildings or structures from the front, rear and side lot lines;
- the boundaries and dimensions of land that abuts the subject property, or any land owned by the owner of the subject land and that abuts the subject land;
- the location, size and type of all existing and proposed buildings and structures on abutting lands, indicating the distance of the buildings or structures from the front, rear and side lot lines;
- the distance between the subject land and the nearest township lot line or landmark, such as a railway crossing or bridge;
- the location of all land previously severed from the parcel originally acquired by the current owner of the subject land;
- the approximate location of all natural and artificial features on the subject land and adjacent lands that in the opinion of the applicant may affect the application, such as buildings, abandoned or active railways, roads, watercourses, drainage ditches, river or stream banks, wetlands, wooded areas, wells and septic tanks and tile beds;
- the existing use(s) on adjacent lands;
- the location, width and name of any roads within or abutting the subject land, indicating whether it is an unopened road allowance, a public travelled road, a private road or a right-of-way;
- if access to the subject land is by water only, the location of the parking and boat docking facilities to be used;
- the location and nature of any easement affecting the subject land;
- all present entrances onto the subject property;
- if there are agricultural buildings capable of housing animals within 500 metres of the proposed lot, then the location of these buildings must be shown on the sketch.

Measurements on the sketch **SHALL** correspond to those identified in the application. Photocopies of your survey, if you have one, should be used. If no survey is available, a detailed hand-drawn sketch to scale is acceptable.

In some instances, it may be necessary for a locational survey to be submitted with the application in order to accurately determine property and building dimensions, setbacks, etc. A locational survey may be required in situations where existing/proposed building or structures are in proximity to property line(s) and/or shoreline.
